RÓISÍN GARVEY

OUR COUNCIL, OUR FUTURE, YOUR VOTE

1 SUPPORTING COMMUNITY

I will work with the people of North Clare to:

- ✓ Improve access to **health services** and **housing**
- ✓ **Bridge the gap** between services, funding and the people who need them
- ✓ Increase **supports for older people**
- ✓ Provide more **accessible public transport** for North Clare
- ✓ Ensure **access to funding** for voluntary groups and organisations

2 SUPPORTING SMALL BUSINESS

Small businesses **are the biggest employer** in North Clare and a lifeline for the local economy. I will work to:

- ✓ Ensure **better access** to local training, marketing and support for small businesses
- ✓ Promote sustainable tourism in North Clare and **help market** local tourism businesses
- ✓ Work with local entrepreneurs to help **future proof** Clare businesses against Brexit

3 SUPPORTING FARMERS & THE FOOD INDUSTRY

Farmers have always been the natural **custodians of the environment** and are very aware of the effects of climate change. I will:

- ✓ Work toward **better prices** for meat and milk by linking farmers directly to consumers
- ✓ Assist with **diversification** (eg: biofuel, energy generation) and meeting new EU demands
- ✓ Work for a **less bureaucratic approach** to the cottage food industry in Clare
- ✓ Help farmers develop **sustainable solutions** to meet the challenges of more regular extreme weather events.

WHO IS RÓISÍN GARVEY:

I am a mother, educator, entrepreneur and travel officer with the Green Schools Programme. I am from, and live, in Inagh.

I am running in North Clare because of its people: **their resilience and can-do attitude**. This hardworking philosophy inspired me to **community activism** and motivated me to co-found, among other things: Ennistymon Scouts, Mol an Óige Primary School and Fracking Free Clare. I have run numerous **fundraising** events, including for Ennistymon Hospital, Lahinch Playground and Inagh Camogie Club. I am no stranger to **navigating bureaucracy** for the benefit of my community. I sourced funding for Tidy Towns groups, Mens' Sheds, and National Bike Week Events.

The people of North Clare need a strong voice in the county council. I have the passion, drive and determination to be that voice.
